

# BACKYARD SCANDAL

Did you know that Ideal Ranch Market handles the finest quality of meats that money can buy and did you know that we are now bargaining for a carload of prize winning steers exhibited in the Union Stock Yards, and did you know that for over 15 years the Tiscareno brothers have been wholesaling meat to the most exclusive dining houses in Southern California, and did you know that we sell schools, colleges, hospitals, sanitariums and convents in Los Angeles, and did you know that we were the first in Los Angeles to make tenderized hams, and did you know that we are the only ones in town that handle Raffin's world famous corned beef. Try it some time.
